***IMPORTANT:** *It is required the couples use a planner and full-service caterer to get married at Grelen. Couples must pick these two vendors from the lists above but can request to use an "outside vendor" if preferred. Grelen's Director of Events must meet them and give written approval to make this change. The approval process can take a number of weeks and costs an extra \$250 administrative fee per vendor. There is no guarantee of approval so please do not hire a caterer or planner who is NOT on Grelen's preferred list until the vendor has been officially approved.*
